

JobTrain is proud to be partnering with the County of San Mateo and other nonprofit organizations in getting the word out about the Census 2020. It's important everyone participates, as the Census 2020 count impacts funds allocated to our communities, and gives us a voice in government. Below is important information about Census 2020:

WHAT YOU NEED TO KNOW

HELP MAKE A DIFFERENCE

Everyone - regardless of age, immigration status, or criminal history - needs to be counted.

The census count is how we make sure everyone gets a **voice in government** and communities get your fair share of **funding for programs and services**.

An undercount of our population could affect services to families and children, planning for public schools, transportation, or hospitals.

By **April 1, 2020** you will be mailed instructions about completing the census.

Spread the word about the importance of participating in Census 2020.

Train to be a **Census Ambassador** in your community by contacting Walter Manuofetoa at WManuofetoa@jobtrainworks.org.

Have open conversations with others and **help calm fears, anxiety**, or address **misinformation**.

Pledge to participate in Census 2020 and **Stand Up to be Counted!**
